

PDGM year-two Assessment and Improvement Plans

Recorded & Live Webinar

Wednesday, August 10, 2021 • 10:00 am – 11:00 am PST

PDGM was implemented as the new Medicare Home Health prospective payment system just under two years ago in January 2020. This 60-minute webinar will take a deep dive into what we have seen, how COVID-19 affected the roll-out, and what we may be seeing in CY 2022. SimiTree Healthcare Consulting will provide data assessments and suggested improvement plans as your agency plans.
