A premier opportunity to meet Oregon Home Care Agency Decision Makers and Buyers...

CALL FOR EXHIBITORS & SPONSORS

Industry vendors have exhibited for years at many state and national events for healthcare. Consider the results that would come from exhibiting at a highly focused event designed specifically for home care and hospice agency directors, administrators, financial managers, clinical managers and support staff-- just the professionals you want to meet. Your participation as a sponsor / exhibitor will give Oregon home care professionals the opportunity to meet your representatives face-to-face and to learn about the products and services that will help them provide the best home care services to their clients. With the ongoing changes in home care and hospice, this single event brings together industry management from all areas of Oregon.
