

## OAHC 2024 ANNUAL CONFERENCE & EDUCATION PRESENTATION PROPOSAL

OAHC is calling for submission of education proposals. This will be a competitive process. Abstracts will be evaluated on their relevance to practice and appropriateness for the target audience. While all abstracts may not be accepted for the annual conference, they may be considered for another aspect of OAHC educational programming for the year.

Topics of interest for the 2024 Conference and workshops include: Telehealth, staff recruitment/retaining, infection control, emergency preparedness, PDGM, case management, care delivery models, caregiver burnout/efficiency, star rating, QAPI, episode management, interoperability of technology, compliance, COPs, productivity, documentation, rehabilitation, quality management, occurrence reporting, resolution process, personnel qualifications, financial management, ethics in healthcare, needs of the fragile/ill, wound care, behavior management, brain health, marketing strategies, palliative care. These are suggestions and not meant to limit submissions in any way. All sessions are 60-90 minutes in length. If the presentation takes 2-4 hours to complete, it may be considered for a pre-conference workshop. **Submit a separate proposal form for each presentation. Absolutely no commercial sales or marketing presentations of any kind will be permitted.** Please complete electronically and send via email to the association office at [bsweet@oahc.org](mailto:bsweet@oahc.org). Attach additional pages, if needed. **Please complete this form in its entirety.**
