

Coding Under PDGM

December 1, 2, 7, 8, 2021

8:00 - 10:00 a.m. Pacific

DESCRIPTION AND OBJECTIVES

CMS has changed the comorbidity adjustments for 2022! In this interactive, web-based series we will discuss the coding and OASIS changes for 2022 based on the CMS final rule. Learn how to identify what items you need for thorough and accurate coding for your agency. Also we will discuss the new ICD-10 codes for 2022 and if what Primary clinical groupings and comorbidity groupings they fall into. Understand the importance of getting the information “right” from the beginning--at intake, and what you can do to change your practices now! Join us in this series for the important updates that matter to you as a coder/reviewer. Make sure you have an up-to-date coding manual for practice sessions.

Objectives:

1. Describe the changes under the 2022 PDGM rules.
2. Discuss how to best code with the information you receive.
3. Discuss the 2022 coding changes and important coding clinic updates.
4. Identify how even slight differences in coding will make a difference.

She has also been a frequent contributor to the Decision Health Publication, The Diagnosis Coding Pro, Published several manuals, and assisted with composition of several online modules for coding and OASIS instruction. She has presented several webinars and has been a nationally recognized speaker on a variety of subjects.

CODING MANUALS

Attendees will be required to have a 2022 ICD-10-CM coding manual, as interactive coding scenarios will be an integral part of the learning experience. Code books will not be provided or sold by MHCA or OAHC, and should be purchased ahead of time from a reputable source.

CONTINUING EDUCATION CREDITS

This program has been designed to meet the continuing education requirements for the Minnesota Board of Nursing for 8.0 contact hours. Application has been made for 8.0 HCS-D BMSC CEUs. It is the responsibility of the participant to assure that this program meets the licensing and continuing education requirements of their state board and to retain the required documents in his/her personal file.

Register online at www.oahc.org

Attendees must participate in the entire presentation in order for contact hours to be awarded – partial credit will not be available. To apply for nursing contact hours, within one week following webinar participation, a completed sign-in sheet and evaluations from each individual must be returned to MHCA. Certificates will then be issued by e-mail.

WHAT'S A WEBINAR?

Enjoy the convenience and cost-efficiency of a webinar – watch the speaker’s slide presentation on the internet while listening by telephone or through your computer’s microphone and speakers (VoIP). The cost of this education is per agency.

Prior to the webinar, a Zoom Webinar link will be e-mailed to you. You will need to click on this link to access the webinar, a dial-in number and an access code to listen in via telephone. You will also be sent any pertinent handouts if available and evaluation link.

WEBINAR RECORDING

You will be sent the recording link following the presentation and it will be available for 1 month following the webinar. The webinar format allows a concise and low-cost format plus the additional bonus of having access to the materials for 1 month and provides additional flexibility to ensure you have an opportunity to access the information.

EDUCATION PAYMENT POLICY

Registrations may be shared between employees –registration includes agency access to the webinar. The handouts will be emailed to you to the email address you provide. Please feel free to provide an additional email address as a backup.
