

# 2020 MEMBERSHIP PROGRAMS AND SERVICES

## Stay Ahead with Frequent Updates on Industry Changes

OAH C provides the tools to keep track of the latest home care and hospice trends and techniques. As members of NAHC and the Council of States, OAH C provides up-to-the minute information so that you and your staff can do your job in a more timely and economical manner. Through the members-only listserv and blog, you will receive:

- Essential regulatory information your agency needs today
- Legislative news and updates for home care and hospice
- Important news and information affecting your agency as it is first available
- Information on legislative matters that need your immediate action
- Report on association news, information, products and services for your agency
- Education opportunities available

## Sharpen Your Skills and Knowledge

OAH C works to provide timely education that focuses on the pressing issues facing your agency. Members receive discounts on educational sessions, seminars, conferences and webinars. Education programs also provide ample opportunity to network with your peers. OAH C offers:

- Full day workshops on OASIS, Coding and other just-in-time topics
- 2-day annual conference and trade show
- Monthly home health and hospice aide teleconferences
- Quarterly Legislative & Regulatory Update Calls **FREE** to all members
- **FREE** unlimited access to the RCTCLearn.Net Online Home Health & Hospice Education Program
- 90-minute webinars
- OAH C is an approved provider of nursing contact hours

## Actively Advocate for Home Care and Hospice

OAH C actively advocates on behalf of its members and informs members when they need to take action. OAH C has an expert lobby team representing members in Oregon and in DC on Capital Hill.

- Executive Director and Regulatory & Legislative Affairs Committee (RLAC) actively works to address regulatory and legislative issues affecting home care
- Communicate directly with your legislators through the OAH C Legislative Action Network (LAN)

## Additional Benefits

OAH C continues to explore new benefits to help member's lower costs, increase educational opportunities, and offer services your agency needs. Some additional benefits you receive for being a member include:

- **FREE** member listing in the OAH C Membership Referral & Resource Guide that is sent to all discharge planners in Oregon
- **FREE** listing in the Find a Provider search on our website
- **FREE** unlimited access to valuable tools and resources in our Member Only sections of our website
- **Discounts** on job postings in the OAH C Career Center
- **FREE** subscription to the OAH C listserv where members network to solve and share issues impacting business
- **FREE** Home Health & Hospice Data Benchmarking Reports
- **Discount** on the OAH C developed Home Health & Hospice Aide Competency Testing Tool
- And much more!
